Welcome to Western American Foods, Inc.!

Check out how your company will benefit from Western American Foods 100% Natural Premium Fruit Concentrates:

- **VARIETY** - Over 45 flavors available.
- **QUALITY** – Our 100% Natural Premium Fruit Concentrates are 68 Brix, vacuum-pressed under low temperatures for superior flavor profiles & quality!
- **PRICES** – Since we manufacture our own proprietary fruit concentrates, we are able to offer very competitive pricing!
- **CONSISTENCY** – Our fruit concentrates consistently rate 68 Brix, which allows for greater dilutions, higher yields at lower costs to increase your profits!
- **R&D LAB SERVICES** – If you need modifications to meet your flavor requirements, we can help to develop your propriety custom products with our R&D Lab.
